GLOBALPITTSBURGH IS AT YOUR SERVICE!

Founded as the Pittsburgh Council for International Visitors in 1959, GlobalPittsburgh is a 501(c)(3) tax-exempt organization that annually connects the region's people and organizations to the world through member programs, activities and hosting opportunities.

GlobalPittsburgh is known for its excellence in arranging hospitality dinners and homestays with local families through individual requests and university-based collaborations for larger groups of international students and young professionals. In 2019, the number of homestay nights arranged was 7,759. That number represented a 20% increase over the number of nights in the homes of local families that we arranged in 2018! We monitor all arrangements that we make to ensure positive experiences.
