

# GlobalPittsburgh®

CONNECTED, EVERYWHERE

GlobalPittsburgh is planning its annual **Immigrant Entrepreneur and Community Celebration** on May 7, 2022, merging our signature event, Immigrant Entrepreneur Celebration and Award Ceremony, with a celebration of the globally-minded community members who make our programming for emerging international leaders a success.

This outdoor event will be held at the spacious Pittsburgh Shrine Center Picnic Pavilion located at 1877 Shriners Way in Cheswick, PA, will recognize the achievements of immigrant entrepreneurs and immigrant champions in the Pittsburgh community, and will celebrate volunteers, host families and professionals who make GlobalPittsburgh programming so memorable and who help to forge linkages with emerging leaders from around the globe.
